AUTOMATE®

Shade automation
that delivers confidence

The Automate range provides reliable, powerful and intuitive motorised shade solutions.

From simple scheduling to full smart home integration with climate, light, and privacy settings, Automate delivers more than just seamless automation – it delivers confidence.

Confidence in consistent, intuitive setup

Confidence in a purpose-built system, made for Rollease Acmeda and Zipscreen

Confidence in the Rollease Acmeda brand built on trust and long term reliability

Confidence in expert, local support
